

WHAT IS THE FUNDSCRIP FUNDRAISING PROGRAM?

What Fundscrip is:

Fundscrip is a program that helps Ernest Morrow Junior High to earn money when people buy things they already need, like food, gas, or clothes.

How It Works:

Every month, you spend money on everyday items like groceries, gas, medicine, restaurants, electronics and more.

How You Can Help Ernest Morrow:

Instead of paying with cash or a debit card, you buy gift cards from Fundscrip.

You use the gift cards to shop, and a small part of each gift card's value is donated to Ernest Morrow.

Fundscrip costs you nothing!

You make your usual visit to the grocery store. You fill your cart and go to the check out. Instead of paying with cash or a debit card, you use a gift card that you purchased through our group. It costs you nothing extra but you just earned money for your group.

Ask your family, friends, co-workers, and neighbors to support Ernest Morrow and send the link to them!

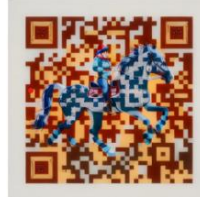

We want everyone to ask their family, friends, co-workers, and neighbors to join FundScrip too. They buy groceries and gas just like you, so it's easy for them to help. You can give them an order form so they can buy gift cards at the same time as you.

The gift cards already have money loaded onto them and come in different amounts. When you use a card, the cost of what you buy is taken off the card automatically. If you don't spend all the money, whatever is left stays on the card for next time.
